

Maximizing Your Online Learning Experience:

You may have experienced some difficulties accessing some of the course content when you were navigating through your course. This may be because of the browser version that you are using.

What is a browser? An Internet browser is the application that you use to view content on the Internet. Examples:

- Internet Explorer
- FireFox
- Chrome
- Safari

If you are using a PC, below is a list of supported and unsupported browsers for your course:

Symbol	Definition
✓	Tested and supported
*	Key application areas tested
X	Browser is not supported

Web Browsers
